## **COVID-19 RESPONSE FIRST RESPONDER INCIDENT EXPOSURE REPORTING**

The NH State Fire Marshal's Office is requesting all emergency medical services, fire departments and police departments to report first responder exposures to COVID-19.

A First Responder Incident Exposure board has been established in WebEOC for exposure reporting. We encourage all agencies to report using WebEOC. If an agency is unable to access WebEOC please contact the ESF-4 Desk in the State EOC at 223-3718. We will be able to assist you by providing a brief survey link to gather the necessary information.

The goal of this reporting is to track the statewide impact to emergency services.
