No Spending without an Appropriation

No board of selectmen, school board, village district commissioners or any other officer, employee, or agency of the municipality acting as such shall pay or agree to pay any money, or incur any liability involving the expenditure of any money, for any purpose in excess of the amount appropriated by the legislative body for that purpose, or for any purpose for which no appropriation has been made, except as provided in RSA 32:9-11 (judgements, transfers and emergencies).

The Budget Process: Key Players

- Legislative Body
- Governing Body
- Budget Committee:
Advisory v. Official

10

Legislative Body: The Town Meeting

Approves all appropriations

Votes to create and fund common municipal funds

Citizen authority to propose appropriations by petition

May amend separate articles to reduce or zero out appropriations

May amend budget to reduce (or increase) total bottom line appropriation

Can zero out line item appropriations in DRA budget form

11

Governing Body - Definition

21:48 Governing Body. – the term "governing body" shall mean the board of selectmen in a town, the board of aldermen or council in a city or town with a town council, the school board in a school district or the village district commissioners in a village district

12

Roles of the Governing Body

Prepares warrant, drafts separate warrant articles

Submit proposed budget to the Budget Committee or Town Meeting.

Prepares manifest to pay all town expenses

Ensure all funds totaling \$500 or more are remitted by departments, town clerk and tax collection to the treasurer

Publish in annual report, the general fund balance sheet based upon audited financial statements

Establish and maintain appropriate internal control procedures

Maintain records of all town financial transactions

Annually review and adopt an investment policy

Pay all sums of money received to the town treasurer

13

Role of Budget Committee

- Review current year's expenditures
- Review proposals, request information
- Prepare budget
- Schedule and hold budget hearings
- Forward final proposed budget to governing body
- ***Does not control spending***
- 10% Rule in towns with official budget committee

14

32:18 - Limitation of Appropriations

- In any municipality with an official budget committee the total amount appropriated at any annual meeting shall not exceed by more than 10 percent the total amount recommended by the budget committee for such meeting.
- In official ballot referendum municipalities, the recommendation of the budget committee made for the first session of the meeting shall be used for determining the 10 percent limitation.
- These totals shall include appropriations contained in special warrant articles.
- Money may be raised and appropriated for purposes included in the budget or in the warrant and not recommended by the budget committee, but not to an amount which would increase the total appropriations by more than the 10 percent allowed under this paragraph.
- The 10 percent increase allowable under this paragraph shall be computed on the total amount recommended by the budget committee less that part of any appropriation item which constitutes fixed charges. Fixed charges shall include appropriations for:
 - ✓ Bonds, and all interest and principal payments thereon.
 - ✓ Notes, except tax anticipation notes, and all interest and principal payments thereon.
 - ✓ Mandatory assessments imposed on towns by the county, state or federal governments.

15

Exceptions to 10% Limitation

16

Role of Budget Committee Throughout the Year

- After the budget is adopted, the budget committee may request comparative statements of appropriations and expenditures made throughout the year.
 - Select board must choose to comply with this request (work together!)
- Meet periodically throughout the year to review and prepare
 - An involved budget committee may choose to meet throughout the year to review expenditures and evaluate this information in preparation for upcoming budget. Budget preparation is a year long process!

17

Budget Committee Membership

- RSA 32:15. Three to 12 members, either elected or appointed (member-at-large)
- No selectman, town manager, member of the school board, village district commissioner, full-time employee, or part-time department head of the town, school district or village district or other associated agency shall serve as a member-at-large.
- One member of select board, one member of school board (wholly within town), one member of village district commission appointed (ex-officio).
- Oddly enough, only ex-officio members are allowed alternates.

18

Status of Ex-Officio Budget Committee Members

- The membership of an elected municipal budget committee is prescribed by RSA 32:15 and shall include one member *each* from the select board, school board and village district located in town.
- These Ex-Officio members serve as full voting members of a municipal budget committee – this is not optional, *it is mandatory*.
- Budget Committees cannot by procedural rule make these Ex-Officio representatives non-voting members: *Town of Hudson and Hudson School District v. Hudson Budget Committee* – Hillsborough County Superior Court- Case No. 2022-CV-00223, 8/15/22

19

Budget Committee vs. Select Board

- The obligation to safeguard town assets and ensure expenditures are made in compliance with the adopted budget lies with the select board.
 - Budget committee is not an oversight committee
- May review expenditures by select board. Cannot dispute discretion of SB, but can use SB actions to influence future budget recommendations.
- Budget committee has no authority over personnel and employment related matters, that belongs solely to the SB.
- May place recommendation on articles containing an actual appropriation, not on other articles.

20

Questions?

21

The Budget Cycle is Continuous

22

Why May a Municipality Appropriate Money?

No Home Rule

RSA 32:3, V & RSA 31:4

Village Districts, RSA 52:1

School Districts, RSA 198:4

23

Steps in Budget Development

- Department heads prepare estimated expenditures and revenue projections and submit to governing body. RSA 32:4. (library trustees may directly submit their proposed budget to budget committee – RSA 202-A:11, II)
- Towns with Town Manager – the manager provides the governing body with an estimate of the probable expenditures of the town for the ensuing fiscal year, along with an estimate of revenues. RSA 37:6, V
- Select Board reviews information provided under RSA 32:4 and RSA 37:6, V and submits their budget recommendations to the budget committee (if there is one).
- Budget Committee prepares the budget as provided in RSA 32:5, and if authorized under RSA 40:14-b, a default budget under RSA 40:13. RSA 32:16, I.

24

Appropriations Create Guiding Values

- ✓ An appropriation is a fundamental exercise of governmental power.
- ✓ Both taxing power and spending power flow directly from the power to make appropriations.
- ✓ Appropriations give a governmental unit purpose and direction.
- ✓ They form the guiding values of the governmental entity.
- ✓ When local officials make spending decisions, they are carrying out those policy values.

25

Appropriations Are Acts of Legislative Policy

- ✓ An appropriation is a policy decision to set aside a specific amount of public money for a specific stated governmental purpose.
- ✓ It is a legislative act by vote of the legislative body (the voters) at a properly noticed annual or special meeting.
- ✓ An appropriation is different from the authorization to tax (raising money). “Raising” indicates the source of the revenue; “appropriating” indicates how the money will be spent.

Procedural Requirements for Valid Appropriations (Budget Creation)

- ✓ Public budget hearing
- ✓ Disclosure of purpose and amounts at hearing (including sub-account information)
- ✓ Disclosure of default budget at first budget hearing
- ✓ Budgeting on gross basis
- ✓ Recommendations
- ✓ Warrant Notice
- ✓ Listing of all appropriations and separate warrant articles on posted budget

30

Public Budget Hearing Required

- Must have at least one budget hearing; deadlines for traditional towns in RSA 32:5 (25 days before town meeting) and for SB 2 in 40:13 (see NHMA Important Date Calendars - <https://www.nhmunicipal.org/calendars-printable-pdfs>)
- All purposes must be “discussed or disclosed” at public hearing—new purposes and additional amounts may be brought up at a hearing and the budget committee/governing body can accept those suggestions...or not.
- After hearing is closed, no new purposes or amounts may be added to budget or separate articles (unless supplemental hearing is held).
- However, budget items can be reduced or eliminated after the final budget hearing.

31

Gross Basis Budgeting RSA 32:5, III

- ✓ RSA 32:5, III requires all appropriations- to be stated on a “gross basis,” meaning that all anticipated revenue from all sources, not just tax money, must be shown as offsetting revenues to the amounts appropriated for specific purposes.
- ✓ Revenues other than taxes raised may include grants, gift bond issues and proceeds of the sale of municipal property. With a few exceptions revenues not appropriated cannot be spent.
- ✓ This rule follows logically from the principle that all expenditures—not just tax expenditures—must be supported by legislative body appropriations RSA 32:8.

32

Multi-Year Agreements

Municipalities are authorized to make multi-year contracts under the basic statutory power to “make any contracts which may be necessary and convenient for the transaction of the public business of the town,” quoting what is now RSA 31:3.

A municipality can bind itself to a multi-year agreement if the total cost items for the full life of the agreement are fully disclosed and adopted by the legislative body.

33

3/5ths Majority to Approve Bonds

- ✓The procedure for authorizing and rescinding bonds or notes is contained in RSA chapter 33.
- ✓As of September 27, 2020 the necessary majority for passage is three-fifths (3/5) for both traditional town meeting municipalities and those who have adopted the official ballot voting procedures under RSA 40:13 (SB2).
- ✓The issue of notes or bonds by a municipality that has adopted an optional form of legislative body under RSA 49-D:3, I-a or RSA 49-D:3, II-a shall be authorized by either a 2/3 or 3/5 vote as adopted and provided for in the charter. If such charter does not specify which majority vote is required, then the required majority vote shall be three fifths (3/5).

34

Recommendations & Numeric Tallies RSA 32:5, V & V-a

- Recommendations:
 - ✓ Required on special articles, 32:5, V
 - ✓ Required on collective bargaining cost items, 32:19
 - ✓ Defects/deficiencies don't affect validity of appropriations, 32:5, V
- Numeric tallies:
 - ✓ 32:5, V-a – allowed by vote of town meeting – but if not required by vote of town meeting may be included at discretion of budget committee or governing body
- Recommendations on non-money articles allowed by governing body - Olson v. Grafton

35

Estimated Tax Impact

RSA 32:5, V-b

Must be adopted by legislative body

Governing body determines

Only an estimate!

36

Estimated Tax Impact Statements modified for Warrant Articles with Multi-Year Appropriations

- HB 138 (effective 8/30/25) - **Any special warrant articles voted on pursuant to this paragraph with multi-year tax impacts, or containing lease agreements with or without non-appropriation clauses, shall contain a notation stating the estimated tax impact each year for the first 5 years, or each year if the tax impact is less than 5 years.**
- Only applies in towns where the meeting has voted to have tax impact statements on the warrant.
- Take a single year's net appropriation (that year's gross appropriation less any direct offsetting revenue) and divide it by the Net Valuation found on Line 21 of the latest MS-1. Multiply that amount by \$1,000 to get the rate per \$1,000 of valuation.
- This same method can still be followed for creating a multi-year estimate and the last known assessed value of the town can still be used for these purposes.

37

Limitations on Actions by Budget Committee

- ✓ The Budget Committee cannot intentionally neuter the ability of town meeting to increase budget by 10% over the amount recommended. *Baker v. Hudson*
- ✓ Budget Committee can cut budget and is not required to specify how a school budget must absorb a \$650,000 budget cut. *Brentwood School Dist. v. Brentwood Budget Committee*

38

Warrant Notice & Amendments

- ***Warning Subject Matter***

- ✓ Appropriation valid only if subject matter appears in warrant (RSA 32:6)
- ✓ New purposes/line items cannot be added from the floor of the meeting, whether traditional or SB 2 deliberative session
- ✓ Petitioned articles can be amended
- ✓ In SB 2 towns amendments only invalid if they effectively eliminate the subject matter of the warrant article

- ***Stay at Home Rule***

- ✓ Stay at home test: Suppose a voter had read the original article in the posted warrant and decided she wasn't interested and stayed home instead of attending the meeting. The question then is, does the proposed amendment add a new subject matter, such that the voter might have reconsidered his or her decision not to attend? If so, the amendment is probably improper.

39

Tax & Spending Caps

- Limitation on annual increase of proposed budget
- Adopted by voters
- The tax cap shall be either a fixed dollar amount, a fixed percentage, or a multiplication factor
- Recently adopted HB 200 eliminates the ability of the legislative body (town meeting) to approve spending in excess of an adopted tax cap and requires any override to be approved by town meeting by a 3/5 ballot vote.

40

Tax & Spending Caps (cont.)

- HB 374 amends RSA 32:5-b clarifying how a tax cap using inflation and changes in population or attendance at school districts will be calculated.
- SB 105 introduced new options for Town Budget Caps, RSA 32:5-g and RSA 32:5-h, effective August 23, 2025. A budget cap adopted under these provisions would limit a proposed budget so as not to exceed the dollars spent per resident in the prior fiscal year times the current town population plus a fixed percentage, or percent annual increase for inflation.
- This new budget cap option also contains the restriction imposed by HB 200 that any override of a budget cap must be approved by a 3/5 ballot vote in favor by the annual meeting. Furthermore, this legislation also introduces a new limit on the authority of town meeting to amend warrant articles. Any question to adopt a budget cap under RSA 32:5-g shall not be subject to amendment by the legislative body. RSA 32:5-h, V.

43

The Rules Governing The Annual Appropriation

- Appropriations only at Annual or Special Meeting – *a Special Meeting must be authorized by court order to approve an appropriation for an emergency under RSA 31:5 unless the ballots cast equals 1/2 of the number of legal voters borne on the checklist of the town entitled to vote at the annual or biennial election next preceding such special meeting.* RSA 32:6
- Appropriations cover anticipated expenditures for one fiscal year. RSA 32:7
- Calendar fiscal year towns with a March annual meeting may spend between January 1st and the date a budget is adopted commensurate with prior year's appropriations and expenditures for the same purposes during the same time period. RSA 32:13

44

Appropriations at Special Meetings?

Unless the ballots cast shall be equal in number to at least 1/2 of the number of legal voters on the checklist of the town entitled to vote at the annual or biennial election next preceding such special meeting

Appropriation due to emergency requiring immediate expenditure – get court approval

RSA 31:5, III & RSA 197:3, III—special meeting to reconsider cost items of a proposed collective bargaining agreement

45

Emergency Expenditures RSA 32:11

Unusual circumstance requiring over expenditure of budget

Before making expenditure apply to DRA for permission

Official Budget Committee must vote to approve

Governing body must designate the source of the proposed spending

46

Contingency Fund RSA 31:98-a

- ✓ Towns may annually establish a contingency fund to meet the cost of unanticipated expenses that may arise during the year.
- ✓ Fund shall not exceed one per cent of the amount appropriated by the town for town purposes during the preceding year excluding capital expenditures and the amortization of debt.
- ✓ Better option than RSA 32:11 (Emergency Expenditures) or RSA 31:5 (Special Meetings).

47

RSA 76:6 - Overlay

- In assessing taxes the select board may assess a sum not exceeding 5 percent more than the amount of such tax.
- Overlay is established annually to fund anticipated property tax abatements, exemptions and uncollected taxes in that year.
- Both overlay deficits and surpluses may occur. By comparison a contingency fund is a tool that can be used to meet unanticipated expenses which occur during the course of a budget year.
 - ✓ Overlay Deficit – A deficit that occurs when the amount of overlay raised in a given year is insufficient to cover abatements.
 - ✓ Overlay Surplus – Any balance in the overlay of a given year in excess of the amount remaining to be collected. Any amount not used goes back to unreserved fund balance to be appropriated in the future, or used to reduce the amount of future property tax.

48

Certain Multi-Year Expenditures

Lease/purchase agreements, RSA 33:7-e

- With escape clause (simple majority)
- Without escape clause (supermajority vote)

Capital projects, RSA 32:7-a

- 2/3 or 3/5 majority vote
- Up to 5 years
- Included in default budget

49

50

IF

Budget line item reduced to zero, or

Separate warrant article with appropriation defeated or reduced to zero.

THEN

That “purpose” is deemed to be one where no appropriation is made.

No money may be spent for that defeated purpose during the ensuing fiscal year.

51

Lapse of Appropriations RSA 32:7

All appropriations shall lapse at the end of the fiscal year and any unexpended portion thereof shall not be expended without further appropriation, ***UNLESS:***

- Encumbered by legally-enforceable obligation;
- Placed in nonlapsing fund: capital reserve or trust;
- Appropriated to a capital reserve fund;
- Amount is raised through bonds or notes (then lapses upon completion of purpose);
- Money received from state, federal, or private grant (then nonlapsing for as long as program rules)
- Special warrant article:
 - Governing body can vote to encumber for one year; OR
 - Article was labeled as nonlapsing by meeting (specifies lapse, up to 5 years).

52

Encumbering and Special Non-Lapse Rule

- How is an Appropriation Encumbered?
 - ✓ First, the unspent funds must be encumbered by a legally enforceable obligation for their expenditure.
 - ✓ Second, the obligation must attach to the funds before the end of the fiscal year for which they were appropriated. *Monadnock Regional School District v. Monadnock District Education Assoc.*, 173 N.H. 411 (2020)
- Under RSA 36-A:5, I, Conservation Commission may deposit any unspent part of its annual budget appropriation into the conservation fund. Similar authority also given to Heritage Fund, Agricultural Fund, Housing Fund

53

Other forms of Spending

- Exempt from RSA 32 limitations on expenditures
- Library Trustees can be granted same authority under RSA 202-A:4-c
- Land Use Boards may also accept gifts & grants – RSA 673:16

New Rules for Capital Reserve Funds and Lease Payments

- **RSA 35:15 amended by 2021 Chapter 105 (SB 87)**
- Allows a capital reserve fund to be used to make payments under a lease/purchase agreement, regardless of whether the agreement contains an “escape” or “non-appropriation” clause.
- This is a significant change from previously, where payments could be made from the fund only after super-majority approval by town meeting and no escape clause existed.
- **Effective Date: August 30, 2021.**

59

Expendable Trust Fund RSA 31:19-a

- RSA 31:19-a authorizes towns to create trust funds for the maintenance and operation of the town and any valid public purpose
- Agents can be appointed to expend trust funds
- Expendable trust funds subject to same provisions concerning custody, investment, expenditure, change of purpose, and audit as are capital reserve funds
- Expendable trust funds can be permitted to accept privately donated gifts and legacies provided there is no commingling of private money with public money

60

Revolving Funds RSA 31:95-h

Deposit into the fund all fees, charges, income derived from the activities or services supported by the fund

Money in the fund accumulates, not part of town general surplus

Held in custody of Treasurer

Spent on order of select board or other board or body designated by town meeting

61

Revolving Fund Purposes

- Special Revenue Funds limited to those town activities funded primarily through user fees (solid waste disposal, airport operations, etc.)
- No agents allowed for spending, requires vote of town meeting

63

Trust Funds RSA 31:19

Town meeting may authorize the select board, or town council, to accept gifts and donations without further action by the town.

Depending on the terms of the trust, the select board as agents of the town may expend the trust fund “to carry out the objects designated by such trusts.”

69

Default Budget Terms Defined

“One-time expenditures”: Appropriations not likely to recur in the succeeding budget.
